

## REMARKS

The above-referenced patent application has been reviewed in light of the Office Action, dated February 7, 2005 in which the application is in condition for allowance except for the following formal matters relating to changes to abstract, figure description, and IDS. Consequently, the Applicant respectfully agrees with Examiner's points and has made all the revisions.

### IDS

Applicant has listed the references in a submitted IDS rather than listing them in the specification.

### Drawings

Figure 2 has been incorporated as an inset and reference numbers have been added.

### Abstract

Applicant has submitted a new Abstract and has not introduced any new matter.

### CONCLUSION

In conclusion, Applicant respectfully submits that claim is now in condition for allowance and Applicant respectfully requests allowance of the claim. Furthermore, Applicant authorizes Examiner to make any necessary Examiner's amendments to hasten the notice of allowance.

Respectfully submitted,

Date: 2/20/05
